

Constipation with Incontinence

ARVIND NAIR Age - 73 yrs
Lt Col P. A. Nair (Retd)

For the last three months I was suffering from constipation and gas formation in the stomach. With one month's homeopathy medicines, 90% of my problems are over. Now I feel that I will be completely healed within a few days. I am following the diet given by the doctor and it has helped me in normalising my condition.
