This was really great about Dr. Sunil Mehra. Its all becoz of him that today I m. 85% cure.

I was not knowing what was happening to me. Everytime when I use to get toilet, I was not able ^{bare} ~~leave~~ the pain. It was like I m going mad everytime.

This is first time I ever came to any doctor where I don't remember when I needed last time ~~was this was the~~ when I was not able to bare the pain some suggested me to get the homeopathy medicine, there I came to Dr. Sunil Mehra. He not only cure the disease but also treat like a family member and try to make us understand the exact reason of disease use whatever we can understand and have a problem.

Its really great Dr. Sunil Mehra.
A big Thanks.....
