Kidney and Ureteric stone.

Bhashwati Batabyal Tel No [REDACTED]

I am Bhashwati Batabyal undergoing suffering from kidney and ureteric stone since January 13<sup>th</sup> 2015

I was recommended from one <sup>of my</sup> friend ~~Melody~~ whose name is Melody about Dr. Sunil Mehra.

then I started taking treatment from him from January 22<sup>nd</sup> still continuing but after one month of treatment following strict diet given by him.

My two stone in ureter and kidney gone. stone was in very bad condition but after taking his treatment genuinely I am so relieved thanks to Sunil Sir. His treatment technique,

diet is really good. Even the service of his clinic and fees is also reasonable. I learnt lot of new things about which food at what time I should take. So nicely I was explained about my disease by Sir.

Thanks to Sunil Sir. Many many thanks from the core of my heart.
