

Renal stone with Hydronephrosis, 2/11/09 .

AIREN VAGADIA

2 stone in Right Kidney with RT Hydronephrosis

1 stone in Left Kidney

I had total 3 stones in 2 kidneys & suddenly start pain in right kidney. I immediately consult Dr. Sami Mehra to advice to take Sono graphy & start homeopathic medicine. I had stopped outside eating. After 2 months again i take Sono graphy. This time there is no any single stone found. & now i feel better. I am very thankful to Dr. Sami Mehra his treatment.
