

My 12 yrs old son had ~~sto~~ severe stomach ache for 2-2½ months. The pain use to come in spurts approximately ~~twice~~ or ~~thrice~~ in a day. We took him to a Child specialist for a while & then to a gastroentriologist but the ~~problem~~ stomach ache did not recide. Ultimately we got all the tests done but could not conclude anything. Then we came to Dr Mehra for the treatment. My child started responding within 2 days. First the pain ~~occured~~ ~~was~~ almost alternate days. Then it reduced to once ~~ev~~ every alternate day. After ~~3-4~~ ~~days~~ a weeks time he stopped getting any pain atall. We followed his (Dr's) advise for medicine as well as food quite sincerely and the result was my son is absolutely ~~a~~ ~~is~~ alright now.

During treatment, whenever I needed Dr's advise or help he ~~was~~ was available on phone & guided & helped me by calling me back as ~~re~~ needed. It's been almost 17 days since we started treatment & my child is quite better now. My Mother had a skin ~~problem~~ disease (ringworms). She is staying in Bangalore. I brought her here for treatment while she was visiting me. She was sent medicines by Courier & was guided by the Dr on phone then onwards. It took her arround 2 months to get quired completely. But she did cure whereas she was getting

no relief with Allopathic medicines.

Some people think homeopathy takes time to give relief., but in my opinion & experience it's not true. Even for cough & cold or stomach upset my children got relieved very quickly. ~~even before any~~ Whenever I visit the clinic I'm given proper attention. It's not just me every patient is given ~~individual~~ good attention. I'm really thankful to Dr. for his treatment.
