Cold, Sinusitis Headache
Since 1 month

DATE 12/5/09

Since 1 month I was suffering with headache ~~from~~ In that 1 month. Last ~~time~~ ^{week} it was very horrible, I even can't sleep. ~~Be~~ due to pain I consulted an ~~an~~ English doctor. (Alopathy). Treatment was ~~not~~ ~~satisf~~ Satisfactory. Actually when ~~the~~ problem starts when I go to office, where I need to work AC, which I cannot avoid. The pain is as normal as before medication. So came here. Why I chose homeopathy, it also has a reason. I was patient of homeopathy twice before for two different reasons. I got solution with 100%. So I just thought & why don't try this also. By taking medicine for 1 week here I got 90% recovery, though I ~~was~~ working under AC. I feel very ~~glad to~~ happy to share my experience here.

Coming to the Clinic & Doctor. I ~~have~~ ^{want} to say few sentences. Doctor ~~Dr~~ Sunil Sir will get contact with mind of the patient. He will give the confidence to the patient & in such a manner that ~~50%~~ ~~our~~ ~~problem~~ will be ~~so~~ almost almost 50% of our problem will be solved. Obviously his medicine will do the rest of the thing. And the clinic that he made is ~~a~~ really fantastic. I never saw any ^{clinic} ~~where~~ in my life like this. ~~Very Punctual~~ The boards here will tell ~~us~~ ^{us} systematic way of the clinic.

And most main thing is the ^{"Feedback"} ~~Feed~~ here I found is "Feedback". It really helps Patients who is going to new Patient. It gives a positive mindset about the doctor & ~~the~~ treatment before he to consult the doctor. ~~Butter to follow the real~~ Finally my comment about doctor is "HE IS EXCELLENT". It can be understood after the treatment only.
