DISEASE — MIGRAINE, (severe during M.C)

I was suffering from acidity & Migraine since last ten years.

I kept on ignoring it with so called home remedies, with temporary relief. Then I decided to get it checked with no SIDE-EFFECTS treatment in HOMEOPATHY.

I started my treatment in June 2013, Its almost ten months now that I started feeling better & have confidence of complete recovery.

Dr. Mehra is a strict person. I followed whatever diet, I was asked to follow during my treatment & that helped me a lot & also in my weight loss.

I do accept of doing cheating with my diet & hence faced problems related. But I was honest to my doctor if I cheated in my diet which he always guided me with explanations.

Homeopathy as a Healing Science
I have developed a complete faith on Homeopathy, although slow but has a CURE without SIDE-EFFECTS. Next page.

Compounders' Service .

Compounders are very co-operative, humble & hardworking.

Doctor Mehra is although strict but very practical, honest, sincere, knowledgeable and reliable doctor. He has to be strict with us for our own good, to explain us what is good for Parhez Vis.

PARHEZ - is important to understand our own metabolism & nature's gift to mankind.

.. As a patient ; of Dr. Mehra I strongly recommend homeopathy treatment as it will cure your pains with no further complications.

Thank you doctor for understanding & being there for our problems.
