

(3) Urticaria

(1) Jaspreet Kaur Sehgal

(4) Duration of illness : 3 Days

(5) Duration of treatment : 7 Days

(6) % of Recovery : 100%

(7) Role :- 1.) 1st thing, to believe in Doctor completely

2.) To take ~~regular~~ medicines regularly.

3.) To take food as directed by Doctor.

(8) Learning :-

1.) To take care of one's health properly.

2.) DOCTOR IS "GOD".

(9) Treatment method & Technique :-

Very simple & useful & convenient

(10) Convenience :- Both visits & Telephonic services.

(11) Telephonic services :- Very appropriate.

(12) Homoeopathy as a Healing Science :-
Very good & top above Allopathy.

(13) Comments on Doctors :-
Very honest and truthful. Remain on his words. Very concerned for his

patients. Gives special attention to one and all. I had never seen such a truthful and loving doctor in my whole life.

Every Doctor should be like Dr. "SUNIL MEHRA"

1) Doctor's knowledge

As far as I am & my disease is concerned he ~~has~~ is having expert knowledge. Application of his knowledge is up to the mark.

2) Role of Compounders - Very helpful

3) Message to other patients

~~I think once in person's~~ This Doctor is "BEST". He is above all. If you all want to live a happy & ~~disease~~ healthy life then u should take ur ~~be~~ treatment from him (Dr. Sunil Mehra) only & have wholehearted faith & belief in him - until ur disease is properly cured because in Disease curing process "FAITH" is the utmost important thing.

FEE Structure - In front of one's health it is nothing. Very nominal.

Importance of 42351

"VERY * IMPORTANT"

Specific Suggestions :-

→ To doctor ⇒ 1.) Increase clinic hours
2.) Please in Takshila make clinic hours in the morning a little bit early say 9 to 12

→ To patients ⇒ 1.) Never loose trust on your Doctor
2.) Be truthful to Doctor. Whatever he says for Doing, for eating do like that only, if you want to get rid of your disease & be healthy.
